Echobelly

i can t believe no one has tabbed this, it s such a great song and so simple.

**D Dmaj7 D Dmaj7**

**D**

sunken sky of silver grey

**Dmaj7**

a shame they took the sun away

**C Cmaj7 G**

i could have done with some

**D**

today the world s a shade of blue

**Dmaj7**

decidedly because of you

**C Cmaj7 G**

honey i don t know why

**Em C**

i ve seen the sign, the silhouettes

**Em C**

the darker side i know so well

**D G**

i don t know where i ve fallen

**D G**

i don t know where i ve fallen

**Em**

only one way to go

**C G D**

i won t miss you

**D**

magic tales and ponytails

**Dmaj7**

and fingernails that should hve been cleaned

**C Cmaj7 G**

yesterday, far away

**D**

the memories swell, the minutes fade

**Dmaj7**

hours pass and decades fail

**C Cmaj7 G**

honey i don t wanna die

**Em C**

and life is like unfaithful sand

**Em C**

slipping through this open hand

**D G**

i don t know where i ve fallen

**D**

**G**

i don t know where i ve fallen

**Em**

only one way to go

**C G D**

i won t miss you

**C G D**

i won t miss you

**C G D**

i won t miss you

**C G D**
