

**Come Together**  
**Echosmith**

[Verse]

**F C Am G FC Am G**  
Here we are with our backs against the wall  
**F C Am**  
We ve got big city dreams  
**G F C Am G**  
But we don t move from the asphalt  
**F CAm G F C Am G**  
We run away from our own imagination  
**F C Am G F C Am G**  
But at the same time we got this amazing fascination

[Pre-Chorus]

**Am**  
We ve got hopes on the horizon  
**F**  
We can t stop climbing the mountain  
**Am**  
We re sick and tired of keeping silent  
**F**  
We are, we are, we are,

[Chorus]

**F**  
We are gonna come together  
**C G**  
We re gonna come together, now  
**F**  
We are gonna run together  
**C G**  
We re gonna turn it upside down  
**F**  
Cause with the smoke in the mirror  
I can t see your face  
**C G**  
So let s run to the fire escape  
**F**  
Come together  
**C G**  
We re gonna come together, now

[Verse 2]

Who are they, with their so-called innovations  
They hold on like they ve found their own salvation  
They shy away from the slightest alteration  
But at the same time we got the same fascinations

[Pre-Chorus]

**Am**

We ve got hopes on the horizon

**F**

We can t stop climbing the mountain

**Am**

We re sick and tired of keeping silent

**F**

We are, we are, we are,

[Chorus]

**F**

We are gonna come together

**C G**

We re gonna come together, now

**F**

We are gonna run together

**C G**

We re gonna turn it upside down

**F**

Cause with the smoke in the mirror

I can t see your face

**C G**

So let s run to the fire escape

**F**

Come together

**C G**

We re gonna come together, now

[Bridge]

**F C G**

Just let go, it s a free fall

**F C G**

We re almost home, it s a free fall

[Chorus]

**F**

We are gonna come together

**C G**

We re gonna come together, now

**F**

We are gonna run together

**C G**

We re gonna turn it upside down

**F**

Cause with the smoke in the mirror

I can t see your face

**C G**

So let s run to the fire escape

**F**

Come together

**C G**

We re gonna come together, now
