

## Something In My Eye

Ed Harcourt

Well... this is it. Listen to the strumming of the chords to get them right.

Intro:

Play E over and over.

**E**                      **A**              **E**  
Spider has eight legs you know

**E**                      **A**              **E**  
Spins its web the patterns flow

**B**                                      **A**  
There s something in my eye

**C#m**  
Bloodshot in disguise

**F#**  
God knows I really tried

**E**              **A**  
Making the big time

**E**              **A**  
Aiming to climb high

Scattered seeds can t fight the cold  
Circus horse just wants to hold

There s something in my eye  
Bloodshot in disguise  
God knows I m really tired  
Let s make the big time  
Aiming to climb high

Let s make the big time  
Aiming to climb high  
Aiming to climb high

Spider has eight legs you know
