C **Cmaj7** **F**
What do tigers dream of, when they take a little tiger snooze?

C **Cmaj7** **F**
Do they dream of mauling zebras, or Halle Berry in her catwoman suit?

G **Am**
Don t you worry your pretty stripped head

F **C**
we re gonna get you back to Tyson and your cozy tiger bed.

G **Am**
And then we re gonna find our bestfriend Doug

F **C**
and then we re gonna give him a bestfriend hug.

G **Am** **F** **C**
Doug, Doug, Oh, Doug Douggie Douggie Doug Doug.

C **Dm** **Em** **F**
But if he s been murdered by crystal meth tweakers,

F **G** **Cadd9**
well then we re shit out of luck.
