This is essentially an acoustic re-write of "Untitled" by The Saints (from their "Eternally Yours album).

Verses : **Em D C D**

1. You re talking so loud, more than ever before
You hide in the crowd, more than ever before
You don t wanna know more than ever before
But if you gotta go, then I ll show you the door.

[tab] (**Em D F C**)

2. You ask how I feel - well, what s it to you?[/tab]
It s easy to see that you got someone new
So if you wanna go, well sugar, please do
I gave you some love, but you threw it away

(**Em D F C**)

[tab]Chorus : **Em D F C G C (G C)**

My smile s been wearing thin[/tab]
I don t know how long it s been
Since I felt at ease with you
Sometimes it s just no good
And you say that I really should
But I don t feel at ease with you

3. Someone told me round town that things were getting you down
You act like a clown just to settle it down
But things are so bad, they re all I can take
It d make me feel glad if you went on your way

(**Em D F C**) to chorus
