I m not a rapper just a singer with a game plan

I play guitar no need to worry bout my Drake hand

80,000 people in front of the stage, damn

Waiting for the sun to shine just to rock these Ray Bans

I just wanna leak shit (what?)

Not literally leak shit

Wanna push the music through the speakers

Double shot glass, I m in the back of the pub

My mate Jason at the bar screaming Who want what?

Now, please be warned

That every song I feature on has capacity to be reborn

I said that anything can happen when I pick up a pen

But now I m all about love so won t you say it again

I said I used to be the shy type

Backpack on my back on public transport sort of guy type

Now I m in the lime light

Tryna get my mind right

Body clock is in the clouds so often guess it s high time

Hoodie sing the line like

I m not a singer, I just rap pretty

So now my fan base is full of Megan s and Ashley s

And they re wondering if there s room for them to get in my bus

And I m like, Naturally, baby, let me find a spot in the front

For you, and for your friends

You can be mine, we can pretend

Oh, typical rapper actin a typical fashion

I m doing something that s different

I m tryin to Paula my patent

Young prince of Manhattan, now everybody believe it

Adrien Broner the way I m ducking and weaving

We go together like interceptions and Revis

She said the only rapper she lovin is Yeezus

C#m
