G Am
I lost my shoes last night
C D G Am
I don t know where I put my keys
C D G
I was tired and fell asleep beneath an oak tree
Am C D G Am
I bet my mother s proud of me from each scar upon my knuckle
C D G Am
And each graze upon my knee, and all I know is
C D G Am
I got a cab and then threw up upon his car seat
C D G Am
He kicked me out and then I walked in the rain
C D G Am
I tell myself in every way I won t be doing this again
C D
And tomorrow s a brand new day

G Am C D
Someone told me always say what s on your mind
G Am C D G Am
And I am only being honest with you, I, I get lonely
C D
And make mistakes from time to time
G Am
Se enioma enko ye
C D G Am
Bibia be ye ye
C D G Am
Bibia be ye ye ye ye ye ye ye
C D
Bibia be ye ye

G Am C D
I remember less and less and mostly things that I regret
G Am C D
In my phone are several texts from girls that I ve never met
G Am C D
And in the pocket of my jeans are only coins and broken dreams
G Am C D
My heart is breaking at the seams and I m coming apart now
G Am C D G Am
Now things are looking up, I ll find my shoes right next to the oak tree
