Mr Ruskin come and paint my picture
F **G**
We re losing sleep cos we steal the week
C
Now who s your best friend?
G
Can you introduce me?
Am **F** **G**
See I can t seem to even let you breathe

F **C** **G**
When I dance with Billy Ruskin in my mind s eye
F **C** **G**
Please let me forget that I m standing on my own
F **C** **Am**
And I am my own best friend and I need me to see
F **C** **G**
That I am more than what is hiding in me

C **G**
Come and show me if you can
F
See I know you re me
G
But I can t seem to understand
C **G**
If you know me, place my hand on mine
Am **F** **G**
And we will resurrect the time
C **G**
That we lost when you left my mind
F **C** **G**
It s psycho-paranoia disappearing in time
C **G**
Come and show me what makes you tick
F **G**
I need you to get out of my mind quick

F **C** **G**
When I dance with Billy Ruskin in my mind s eye
F **C** **G**
Please let me forget that I m standing on my own
F **C** **Am**

And I am my own best friend and I need me to see
