

Colourblind
Ed Sheeran

C Em Am G
Kaleidoscope love, yeah, that is you and me
F G
Forever changing, we make life interesting
C G Am G
Some days we're red and, some days we both in green
F G
But I like the nights when we leave the canvas free

F C G F
Grab a brush and see where the feeling may lead
C G F
Nothing is out of our reach
C G F
Our words are mixing the pigment we need
G
Can we get started?

C Am G F
I keep falling, deeper in dark blue
C G
Brighter than white
C Am
Rainbows, exploding
G F C G
But I can't see nothing except you and your eyes
Dm C F G C
Maybe we'll just paint the night colourblind

C G Am G
In every spectrum, we find the millionth piece
F G
Connect the dots and everything in between
C G Am G
Mm, dull in the moment, you'll turn it golden leaf
F G
You take the dark away, and that's no easy feat

F C G F
Pick an orange, watch the shade change in the heat
C G
From yellow, purple and green
F C G F
