Nice to meet

E F#m

But in reality say goodbye

C#m D

Life can be

E F#m

So beautiful with the drive

C#m

Are you okay? Yeah, I guess so

D E

But in some days feels like I m trapped in a hole

F#m C#m

But I keep quiet so the ones around me don t know

D E

The mountain feels so steep

F#m C#m

And you say that I m here and that I don t have to carry it alone

D E

And the outside pays in your soul

F#m **C#m**
 Still fighting the dark cause it left me so cold

 The days not out of reach
