Ed Sheeran

Verse:

Em **C**
Your love is the strongest thing I know

I reckon it s been doing weights

G
Eating raw eggs and cereal

D
And running ten miles a day

Em
And your love has a driving ban

C
From tryin to steer intoxicated with another love inside your hands

G
And your love is a friend of mine

D
So I ll take good care tonight

Pre-chorus:

Em
If you could only say the words

I ll take em and I ll write em down

C
And hold it deep inside of me

Until the day you found me out

G
But I know your love

D
That s why

Chorus:

Em
I can be your diary

C
Baby if you open me up

G
Keep it inside me

D
I ll give you the world, just give me the words (x2)

Verse:

Em
And your love, has never been my enemy

C

It used to hold me and promise it would never leave

G (one strum)

Never been better since all the therapy

D

To read the words between the lines and take away my melody

Em **C**

And your love told me it was fallin through a different page

G

And you know if I let you go

D

I ll still keep you safe

Pre-chorus:

Em

If you could only say the words

I ll take em and I ll write em down

You are the one I fall asleep with

But never wake up to

G

Keep it inside me

I ll give you the world, just give me the words, hey

That s it, pretty basic song. You can move the capo around to suit your voice, capo on 5 works well. Enjoy!
