

Dive
Ed Sheeran

Well maybe I came on too strong
Maybe I waited too long
Maybe I played my cards wrong, oh just a little bit wrong
Baby I --- apologize for it

[Pré-Refrão]

I could fall, or I could fly
Here in your aeroplane
And I could live, I could die
Hanging on the words you say
And I've been known to give my all
And jumping in harder than
Ten thousand rocks on the lake

[Refrão]

So don't call me baby
Unless you mean it
And don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you

You're a mystery
I have travelled the world and there's no other girl like you, no one
What's your history?

Am

Do you have a tendency to lead some people on?
