

Drunk
Ed Sheeran

G

I wanna be drunk when I wake up
 D/F# **Em7**
On the right side of the wrong bed

And every excuse I made up

Tell you the truth I hate
 C9

What didn't kill me
 D4 **G** **C9** **G** **D/F#**
It never made me stronger at all.

G

Love will scar your make-up lip sticks to me
 D/F# **Em7**

So now I'll maybe leave back there
 C9

I'm sat here wishing I was sober
 D4 **G** **C9** **G** **D/F#**
I know I'll never hold you like I used to.

But our house gets cold when you cut the heating

Without you to hold I'll be freezing

Can't rely on my heart to beat it

 Cause you take part of it every evening

Take words out of my mouth just from breathing

G5
Replace with phrases like when you're leaving me.

Open bottles of beer but never champagne

We ll applaud you with the sound that my hands make.
