I need to get in the right mind and clear myself up
C D
Instead, I look in the mirror questioning what I've become
G Em
I guess it's a stereotypical day for someone like me
C D
Without a nine-to-five job or an uni degree
G Em
To be caught up in the trappings of the industry

They showed me the locked doors I find another use of key, and you'll see

C G D D/A
I'm well aware of certain things that will destroy a man like me
