(G D)(4x)

Em C
I didn t mean to break your heart
G D
I was just lonely
Em C G D
And everybody falls apart sometimes
Em C
I know you found another one
G D Em C G D
But Won t you just hold me tonight

Em C
I wish I never caught you up
G D
And nobody told me
Em C G D
And They don t know we don t speak anymore
Em C
So take a good look at us
G D Em C G D
And won t you just hold me tonight

And I was
Am7 C/B C
Stop trying to fall in love again
G
And keep it a secret
Bm
It never works out anyway, but I am
Am7 C/B C
Not anything like I was
G Bm
Cause you were the only one for me, yeah

C G D
Cause maybe I don t wanna loose a lover and a friend

Em
 in one night if that s alright
 D G
 I shouldn t have fucked with your mind
 C G
 And your life too many times
 C G
 And maybe I don t wanna be lonely
 D Em Am7
 Darling you are my only love
 C/B C
 Behind my truth lies
 G
 Everything you are

 (G D)(2x)

 Em C
 I never meant to sleep around
 G D
 I was just lonely
 Em C G (MUDO)
 And you did the same again and again and again woooah, I know
 Em C
 So here s to the both of us
 G D Em C G D
 Here s to our story tonight

 Oh I was
 Am7 C/B C
 Stop trying to fall in love again
 G
 And keep it a secret
 Bm
 It never works out anyway, But I am
 Am7 C/B C
 Not anything like I was
