Fall Down
Ed Sheeran
No capo
[Intro]
E A x4
[Verse 1]
In hotel rooms far away from home
I miss you, more than you will know
Shine a light
Just one side
To think again
That your mine
It s high time
I m far away from home
[Chorus]
                                                         C#m
                    Α
Tell me that there s no were left to land
and I ll fall down
                                                             C#m
Catch me with the strength of your own hands
and I ll fall down
[Verse 2]
Oh I need you, without you I ll fall apart
and last winter, I need you to feed my heart
But all the night
Sky blue
```
