I'm from a place where people stop and stare,
carry small dogs and made what they wear
Cameras flashing, champagnes splashin, money dashing.
This is the life we live/lead so come and follow fashion.

Follow fashion, follow follow fashion
this is the life we live/lead so come and follow fashion.
Follow fashion, follow follow fashion
this is the life we live/lead so come and follow fashion.

and yeah, does he say live or lead? I think it sounds more like lead, but I'm not sure!
