My heart is a foreigner

**C**

My eyes are the colour of red like a sunset

**Em**

I ll never keep it bottled up

And I m keeping on the down low

**Am**

And I ll keep you around so I ll know

**C**

That I ll never let you down

**B7**

I ll never let you down

**Em**

You re strumming on my heart strings

**G**

Like you were a grade 8

**C**

Your body is my ballpoint pen

**G**

And your mind is my new best friend

**C** **B7**

Your eyes are the mirror to take me to the edge again, now
