

**Head heels**  
**Ed Sheeran**

Intro: **C**

**C**  
She came in the bedroom  
**F**  
Lookin like a photograph  
**Dm**  
Turned to face the window  
**G**  
Moonlight traced the contours of her back  
**C**  
Only she can see me  
**F**  
Shed the skin that guards the man  
**Dm**  
Sheltered by the ceiling  
**G**  
This is the start and end of everything

**C**  
And we ll go it alone  
**F**  
Cause no one will understand  
**Dm**  
How it just feels like flying  
**G**  
Here within the confines of your bed  
**G**  
How beautiful we blend

**C G F**  
Crashin in, head, then heels  
**C G C**  
Crashin in, head, then heels  
**C G F**  
Crashin in, head, then heels

**C**  
Unrequited love songs  
**F**  
Longing words we used to sing  
**Dm**  
Your faith was in the first one  
**G**  
We opened up our hearts to let them in

**C**

And now all these scars are keloids (These scars are)

**F**

Reminding us and cautioning (Oh-oh-oh-oh-oh)

**Dm**

Rebuild what was destroyed (Rebuild what was destroyed)

**G**

Turn it, then the chapter can begin (Ahh)

**C**

And we ll go it alone

**F**

Cause no one will understand

**Dm**

How this just feels like flying

**G**

Here within the confines of your bed

**G**

How beautiful we blend

**C**

And, together, we soar

**F**

High over the old wasteland

**Dm**

And we escaped the fire

**G**

And planted roots when there was nothin left

**G**

How beautiful we blend

**C G F**

Crashing in, head then heels

**C G C**

Crashing in, head then heels

**C G F**

Crashing in, head then heels

**F G C**

Crashing in, head then heels (Woah, woah, woah)

**C G F**

Crashing in, head then heels

**C G C**

Crashing in, head then heels

**C G F**

Crashing in, head then heels

**F G C**

Crashing in, head then heels
