

Hearts Dont Break Around Here

Ed Sheeran

G **D**
She is the sweetest thing that I know
Em **C** **G**
Should see the way she holds me when the lights go low
D **Em** **C**
Shakes my soul like a pothole every time
G **D** **Em**
Took my heart upon a one way trip
C **G**
Guess she went wandering off with it
D
Unlike most women I know
Em **C**
This one will bring it back whole

C **G** **D** **Em**
Daisies, daisies perched upon your forehead
C **G** **D**
Oh my baby, lately I know

G **D** **Em**
That every night I ll kiss you, you ll say in my ear
C **G**
Oh we re in love, aren t we?
D **Em**
Hands in your hair
C **G**
Fingers and thumbs, baby
D **Em**
I feel safe when you re holding me near
C **G**
Love the way that you conquer your fear
D **C**
You know hearts don t break around here
G **D** **Em**
Oh yeah, yeah, yeah
C **G** **D** **Em** **C**
Yeah-yeah, yeah-yeah

G **D**
She is the river flowin Orwell
Em **C**
And tin wind chimes used for doorbells
G **D** **Em** **C**
Fields and trees and her smell fill my lungs
G **D**
Spend my summertime beside her

Em **C**
And the rest of the year the same
G **D**
She is the flint that sparks the lighter
Em **C**
And the fuel that will hold the flame, oh

C **G** **D** **Em**
Roses, roses laid upon your bed spread, oh my
C **G** **D**
All this, all this I know

G **D** **Em**
That every night I ll kiss you, you ll say in my ear

C **G**
Oh we re in love, aren t we?

D **Em**
Hands in your hair

C **G**
Fingers and thumbs, baby

D **Em**
I feel safe when you re holding me near

C **G**
Love the way that you conquer your fear

Em **D** **C**
You know hearts don t break around here

Oh yeah, yeah, yeah

C **G** **D**
Well, I ve found love inside

Em **D** **C**
The arms of the woman I know

C **G** **D**
She is the lighthouse in the night

Em **D** **C**
That will safely guide me home

C **G** **D**
And I m not scared of passing over

Em **D** **C**
Or the thought of growing old

D
Cause from now until I go

G **D** **Em**
That every night I ll kiss you, you ll say in my ear

C **D** **G**
Oh we re in love, aren t we?

D **Em**
Hands in your hair

C **D** **G**
Fingers and thumbs, baby
