

Heaven

Ed Sheeran

CAPO 3er TRASTE!!!!

G

Heaven

G

D

Whenever I m near you, I m in heaven

D

C

The world could separate us if we let it

C

But we re better than we ve ever been

G

Never

G

D

Darling, we could sail the stormy weather

D

C

We went through the furnace, burned together

C

The clay turned into porcelain

Em

D

C

Suddenly everything s frozen

Em

D

C

Caught in the spell of this moment

G

Just hold me in your arms

D

Dance with me and sway

Em

As the sun closes on

C

The beautiful day

G

I can see you now

D

Though so much has changed

Em

I m falling in love

C

All over again

G

Silence

D

There is so much said inside this silence

D

C

Some things just can't be explained by science

C

The energy I feel for you

G

Higher

G

D

Every peak we reach, we just climb higher

D

C

Held up by the force of our desire

C

So let's pose and just take in this view

Em

D

C

Chemicals burst and exploding

Em

D

C

As every second's unfolding

G

Just hold me in your arms

D

Dance with me and sway

Em

As the sun closes on

C

The beautiful day

G

I can see you now

D

Though so much has changed

Em

I'm falling in love

C

All over again

G

In love all over again

D

Falling in love all over again

Em

Falling in love all over again

C

Falling in love all over again

G

Falling in love all over again

D

Falling in love all over again

Em

Falling in love all over again

C

Falling in love all over again

G

Falling

G

Hold me in your arms

D

Dance with me and sway

Em

As the sun closes on

C

The beautiful day

G

I can see you now

D

Though so much has changed

Em

I m falling in love

C

All over again

G

In love all over again

D

Falling in love all over again (And I m falling, falling, falling in love)

Em

Falling in love all over again (And I m falling in love all over again)

C

Falling in love all over again

G

Falling in love all over again (And I fall in love all over again)

D

Falling in love all over again

Em

Falling in love all over again (I m falling in love)

C

Falling in love all over again (All over again)

G

Falling in love all over again

D

Falling in love all over again

Em

Falling in love all over again

C

Falling in love all over again

G

Falling in love all over again

D

Falling in love all over again

Em

C

Falling in love all over again
