

maybe it was everytime, you said, you said, you said,
that I miss you, more than I let on, I kissed you
for far too long, I ll let go as soon as you do,
see I know we re not through

I dont know when I lost my mind, maybe when I made
you mine, woah, I dont know when I lost my mind
maybe it was everytime, you say, you say, you say,
that I miss you, that I miss you, woah

I dont know when I lost my mind, maybe it was
everytime, you said, you said, you said, that I miss you
