

## Lately

Ed Sheeran

**E**  
I seem to find myself, talking to the powers that be  
**C** **B**  
Awaking the shade and shadowed under towering trees  
**E**  
Admiring the scene, inhaling fumes of flowers that breathe  
**C** **B**  
Jet lagged eyes are begging for an hour to sleep  
**E**  
Although my blood shot whites and iris s they never find any  
**C** **B** **E**  
Clock stops at times where the sun shine can blind many  
**C**  
Although my eyes are heavy they wont be closing soon  
**B** **E**  
Cos i know that time waits for nobody, i suppose its true  
**C**  
We make corrosive tunes with acid tabs and vocal booths  
**B**  
To see the flashing lights at photo shoots, we make our motive moves  
**E** **C**  
I say what ever i feel to vent a rhyme  
**B**  
So i can still invent the lines and stay close to the friends of mine  
**E** **G**  
Cos we all recognise, real is what my father says  
**C** **B**  
And i ll be sticking to this phrase until i pass away  
**E** **G** **C**  
Overworking, no sleep is just another way to die slow  
**B** **C** **D**  
But i ll just keep going strong as ever, never let my eyes close  
**E**  
I never sleep  
**Am** **G** **B** **E** **Am** **G**  
When trouble steals thoughts from a restless mind for free, it could be, ahhh  
**B** **E** **Am**  
The times i m living in i never sleep, when trouble steals thoughts from a  
**G** **B** **E** **Am**  
Restless mind for free, it could be  
**G** **B**  
The times i m living in lately
