C#m G#m
When the sins of my father
D#7 G#m
Weigh down in my soul
C#m G#m
And the pain of my mother
D#7 G#m
Will not let me go

C#m G#m
Well I know there can come fire from the sky
D#7 G#m
Till we find the purest of kings
C#m G#m
Even though I know this fire brings me pain
D#7 G#m
Even so, I m just the same

C#m
Make it rain
G#m
Make it rain down Lord
D#7
Make it rain
G#m
Oh, make it rain

C#m
Make it rain
G#m
Make it rain down Lord
D#7
Make it rain
G#m
Make it rain

C#m G#m
The seed needs the water
D#7 G#m
Before it grows out of the ground
C#m G#m
But it just keeps on getting hard
D#7 G#m
And the hunger more profound

C#m G#m
Well I know there can come tears from their eyes
D#7 G#m
But they may as well be in vain
C#m G#m
Even though I know these tears come with pain
D#7 G#m
Even so, I m just the same

C#m
Make it rain
G#m
Make it rain down Lord
D#7
Make it rain
G#m
Oh, make it rain

C#m
Make it rain
G#m
Make it rain down Lord
D#7
Just make it rain
G#m
Make it rain

C#m G#m
And the seas are full of water
D#7 G#m
Stops by the shore
C#m G#m
Just like the riches of grandeur
D#7 G#m
Oh, no no, never reach the poor

C#m G#m
And let the clouds fill with thunderous applause
D#7 G#m
And let lightning be the veins
C#m G#m
Fill the sky with all they can drop
D#7 G#m
When it s time to make a change

C#m
Make it rain
G#m
Make it rain down Lord
D#7
Make it rain
G#m
Make it rain

C#m
Make it rain
G#m
Make it rain down Lord
D#7
Make it rain
G#m
Oh, make it rain

C#m
Make it rain
G#m
Make it rain
D#7
Make it rain
G#m
Oh, make it rain

C#m
Make it rain
G#m
Make it rain down Lord
D#7
Make it rain
G#m
Oh, make it rain

C#m
Make it rain
G#m
Make it rain
D#7
Make it rain
G#m
Make it rain

C#m
Make it rain
G#m
Make it rain
D#7
Make it rain
G#m
Oh, make it rain
