D

Shock horror im down

A

Lost, your not around

Em

Theres a lump in my chest that

A

Sends cold through my head and

D

My mind shuts sound out

A

Iom an auto pilot

Em

And my tounges gone silent

A

Just switch it off and lay it down

Em

Lay it down

A

Next to me

[Chorus]

G

I donâ€™t know when I lost my mind

Bm

Maybe when I made you mine

G **A**

Oooooohh

G

I donâ€™t when I lost my mind

Bm

Maybve it was every time

Em

You said you said you said

D

A

That I miss you

Em

A

That I miss you

[Verse 2]

D

These words mean nothing to me

A

Im just sitting on a fence of how it used to be

Em

These three words are aching

A

Come strip and suffocating

D

My mind is racing

A

With the picture im painting

Em

My belly sick to its stomach

A

When I remember all the time

Em

He was with you when I lay it down

You lay down

A

Next to me

[Chorus]

G

I donâ€™t know when I lost my mind

Bm

Maybe when I made you mine

G **A**

Oooooohh

G

I donâ€™t know when I lost my mind

Bm

Maybe it was every time

Em

You said you said you said

D

A

That I miss you more than I let on

Em

A

I kissed you, far too long

[Bridge]

Em

Iâ€™ll let go, as soon as you do see I know

A

Weâ€™re not through

[Chorus]
