

No strings  
Ed Sheeran

C G F  
If we make it through this year  
G C G F G  
Then nothing can break us  
C G F  
Trouble leaves, then reappears  
G C G F G  
But we've shown we can take it

Dm C G  
We tear our hair out  
G  
And overthink it  
Dm C G G  
Work and get burned out

C G  
But this is no strings  
C/E F  
You are who I love  
C G  
And that won't change  
Em F  
When we're falling apart  
C G  
And this is no strings  
C/E F  
You are who I love  
Am G F  
It's just grow-ing pains

C G F  
If we make it through this year  
G C G F G  
We should celebrate it  
C G F  
Rarified atmosphere  
G C G F G  
Til now we evaded

Dm C G

We tore the walls down  
**G**  
To build them up  
**Dm C G G**  
Never was in doubt

**C G**  
Coz this is no strings  
**C/E F**  
You are who I love  
**C G**  
And that won t change  
**Em F**  
When we re falling apart  
**C G**  
Yeah, this is no strings  
**C/E F**  
You are who I love  
**Am G F**  
It s just grow-ing pains

**F C G**  
We did not fight for love  
**G**  
Just to let it be defeated  
**F C G**  
What we re going through is common but  
**G**  
It doesn t mean we don t feel it  
**F C G**  
It would be easy just to give it up  
**G**  
Guess we ve got enough reason  
**F C G**  
But every time that we have come undone

**C\* Gsus4\***  
I ll say, it s no strings  
**C/E\* Fsus2\***  
You are who I love  
**C\* Gsus4\***  
And that won t change  
**C/E\* Fsus2**  
When we re falling apart  
**C Gsus4**  
And this is no strings  
**C/E Fsus2**  
You are who I love  
**Am Gsus4 Fsus2**  
It s just grow-ing pains
