Having my woman there is good for my soul

 I try to be strong, well, I got demons
So can I lean on you, I need a
Strong heart and a soft touch
And you re the one when I want love
             D
                 C

It s you and only you who can be takin away
             D
                      C
The shit that I go through each and every day
When I m alone with you, you make it better again (yeah)
 Your arms are where I wanna remain
Catch my eye, and she starts to say

 Hey, baby, we can dance slowly
My darlin , I ll be all you need (you need)

 And I m here for whenever you need, you need, you need
To put it all on me
