

Quiet Ballad Of Ed  
Ed Sheeran

Intro

A - E - F#m - D

A E  
In shadow there lies hope  
F#m  
Cut tension with a knife  
D  
I find it hard to cope  
A  
Stop playing with my life  
E  
You analyse my fears  
F#m  
Analyse my dreams  
D  
Choke on burning tears  
F#m  
Through my silent screams  
Dm A  
Things aren't what they seem  
E F#m  
Tell a hundred craftsmen to work on me  
D A  
Tell this army of angels to make me breathe  
E F#m  
Open doors just to take away the key  
D A - E - F#m - D  
I'll let you all see that I'm doing better  
A  
Watch me fall  
E  
As I stumble at your feet  
F#m  
Always losing in this game  
D  
Your lies cut me deep  
A  
And you don't even know my name  
E  
With your consistency  
F#m  
To always watch me crawl

D

And my durability

F#m

Not affected at all

Dm A E

Still things aren't what they seem

A E F#m

Tell a hundred craftsmen to work on me

D A

Tell this army of angels to make me breathe

E F#m

Open doors just to take away the key

D F#m

I'll let you all see that I'm doing better

D A E F#m

That I'm doing better

F#m

Feel the pain

D

On my brain

A

Feel the strain

E

As I start to decay

F#m

Feel the strain

D

Every passing day

A

Feel the pain

E

As I start to decay

A E F#m

Tell a hundred craftsmen to work on me

D A

Tell this army of angels to make me breathe

E F#m

Open doors just to take away the key

D A - E - F#m D

I'll let you all see that I'm doing better

-----  
This is my first tab and I got this by ear. Tell me if I got anything wrong.
