Ed Sheeran

Capo: First Fret.

G D C D  
Hi, my name is Jamie, there was a time when radio played me  
G D C D  
Cause my music came from my heart, it was real to me but now it's apart,  
G D C  
I'm here struggling, keeping it real, while the rest of them are hustling,  
D  
seeking a deal,  
G D C D  
Sometimes I sit back and think Jamie just do one tune, make a couple G s and  
chill,  
G D C D  
The reason I started making music is the exact same reason that I'll never do  
it, I swear  
G D C  
I didn't go through all that for this, I'll give that a miss, that's just  
how  
D  
it is, unfair, straight,  
G D C D  
Who could tell me different, look at me, determined, Man on a mission  
G D C D  
My music is me, and I am my music So like it or lump it, I'ma do this  
  
G D C D  
I never had a playlist in my heart, oho  
G D C D  
Now I need an A list just to chart  
G D C D  
For I've been famous from the start  
G D C D  
How am I gonna make my mark, oh oh  
G D C D  
Are you gonna play me, though, song was never meant for the radio  
G D C D  
I get a radio spin, I'm just doing my thing, and I don't have time for a  
playlist  
G D C D G  
How much will you pay me though? the song was not a hit on the radio, oho,  
D C D

the rest of the song follows the same pattern. enjoy  
oho, oho, oh
