

**Save Myself**  
**Ed Sheeran**

**G** **D** **Em** **C**  
I gave all my oxygen to people that could breath  
**G** **D** **Em** **C**  
I gave away my money and now we don t even speak  
**G** **D** **Em** **D** **C**  
I drove miles and miles, but would you do the same for me?  
**G D G**  
Oh ho-o-onestly

**G** **D** **Em** **C**  
Offered off my shoulder just for you to cry upon  
**G** **D** **Em** **C**  
Gave you constant shelter and a bed to keep you warm  
**G** **D** **Em** **D** **C**  
They gave me the heartache and in return I gave a song  
**G D G**  
Its goes o-o-on and on

**C** **G** **D** **G**  
Life can get you down so I just numb the way it feels  
**C** **G** **D** **Em**  
I drown it with a drink and out of date prescription pills  
**C** **D** **Em** **D** **C**  
And all the ones that love me they just left me on the shelf  
**A7**  
My farewell

**Am7** **Am7 G/B C D/F# G**  
So before I save someone else, I ve got to save myself

**G** **D** **Em** **C**  
I gave you all my energy and I took away your pain  
**G** **D** **Em** **C**  
Cause human beings are destined to radiate or dream  
**G** **D** **Em** **D** **C**  
What line do we stand upon cause from here it looks the same?  
**G D G**  
And only scars remain

**C** **G** **D** **G**  
Life can get you down so I just numb the way it feels  
**C** **G** **D** **Em**  
I drown it with a drink and out of date prescription pills  
**C** **D** **Em** **D** **C**  
And all the ones that love me they just left me on the shelf  
**A7**
