

Shirtsleeves

Ed Sheeran

C
I can taste salt water
C/B
And if I blink again
Am
We ll be sinking in
G **C**
So I ll learn to swim in the oceans you made
C/B **Am**
I ll hold ya and you ll think of him
G **F**
And pretty soon you ll be floating away

C/B **Am**
And I ll hold on to the words you spoke of
C **F**
Anchored down in my throat, love
G **Am**
And I m captain of this sinking boat now
With just one armband to carry me home

C
When salted tears won t dry
Am **F**
I ll wipe my shirtsleeve
G **C**
Under your eyes
These hearts will be flooded tonight
Am **F**
I ll wipe my shirtsleeves
G **C**
Under your eyes
Your eyes
Your eyes
Your eyes
Your eyes
Am **F**
Your eyes

C **C/B**
I still taste salt water
Am
On my lips from your kiss, bitterness
G **C**
And I drown within the oceans you made
C/B **Am**
And I hate to love you, these cuffs are covered in your make-up

G

I ll never trust you again

You can just be a friend
