Repete a Primeira Parte:

G#m

This love is a blaze

I saw flames

From the side of the stage

And the fire brigade

Comes in a couple of days

Until then, we got nothing to say

And nothing to know

But something to drink

And maybe something to smoke

C#m7

Let it go until our roads are changed

Singing We Found Love

In a local rave, no

I don't really know

What I'm supposed to say

But I can just figure it out

Then hope and pray

G#m

I told her my name and said

It's nice to meet ya

And then she handed me

A bottle of water filled with tequila

I already know that she's a keeper

Just from this one small

C#m7

Act of kindness, I'm in deep

If anybody find out

I'm meant to drive home

But I've drunk all of it now

Not sobering up

we just sit on the couch

One thing led to another

Now she's kissing my mouth

All the guys in here

Don't even wanna dance

Can you feel it

All that I can hear

Is music from the back

C#m7

Can you feel it

Found you hiding here

So won't you take my hand, darling

Before the beat kicks in again
