

**Skinny Love**  
**Ed Sheeran**

This is a different type of skinny love where you can adjust the capo position to suit your singing voice! Hope it's helpful!

Capo fret 5

**Em**                      **C**                                      **G**        **D**

Come on skinny love just last the year

**Em**                      **C**                                      **G**        **D**

Pour a little salt we were never here

**Em**                      **C**                      **G**        **D**

ma ma my, ma ma my, my my

**Em**                      **C**    **G**        **D**

Staring at this sink of blood and crushed veneer

**Em**                      **C**                                      **G**        **D**

And tell my love to wreck it all

**Em**                      **C**                                      **G**        **D**

Cut out all the ropes and let me fall

**Em**                      **C**                      **G**        **D**

ma ma my, ma ma my, my my

**Em**                      **C**                                      **G**        **D**

Right in the moment this order's tall

**Em**                      **C**

And i told you to be patient

**G**                      **D**

And i told you to be fine

**Em**                      **C**

And i told you to be balanced

**G**                      **D**

And i told you to be kind

**Em**                      **C**

And in the morning i'll be with you

**G**                      **D**

But it'll be a different kind

**Em**                      **C**

Cos i'll be holding all the tickets

**G**                      **D**

And you'll be owning all the fines

**Em**                      **C**                                      **G**        **D**

Come on skinny love what happened here

**Em**                      **C**                                      **G**        **D**

Suckle on the hope in lite brazzere

**Em**                      **C**                      **G**        **D**

ma ma my, ma ma my, my my

**Em C G D**  
The sullen load is full; slow on the spit

**Em C**  
And i told you to be patient

**G D**  
And i told you to be fine

**Em C**  
And i told you to be balanced

**G D**  
And i told you to be kind

**Em C**  
And now all your love is wasted

**G D**  
Well then who the hell was i

**Em C**  
Cos now i m breaking at the breaches

**G D**  
At the end of all your lines

**Em C G D**  
Come on skinny love
