C#m B A

We ve been lost for a long time

E/G# C#m

In a rut, no escape signs

B A E/G# C#m

And, for love, we were so blind

B A

Oh, I hate to see you cry

E/G# C#m

There ve been times where the truth lied

B A E/G#

Now it s clear as a blue sky

F#m E B

Like a bandaid over deeper cuts, we tried

F#m E B

We couldn t stop the fate descending on the night

C#m B A

We ll build a fire

E/G# C#m

And torch our old lives

B A E/G# C#m

And hope the spark survives

B A

Use words as kindling

E/G# C#m

Light up the night sky

B A

Let the memories take flight

E/G# C#m B A

And hope the spark survives

E/G# C#m B A E/G#

Yeah, we hope the spark survives

C#m B A

Oh, I wonder, will we pull through?

E/G# C#m

All we ever do is argue

B A E/G# C#m

With not a lot, but we make do

B A

We've taken roads (Oh, we've taken roads)  
**B** **E**  
That led to confusion  
**B** **F#**  
But right now that doesn't matter at all (Na, na)  
**G#m**  
We'll bring it back (Yeah, we'll bring it back)  
**B** **E**  
Our love's no illusion  
**B** **F#** **C#m**
