Bm A G

We've been lost for a long time

D/G# Bm

In a rut, no escape signs

A G D/G# Bm

And, for love, we were so blind

A G

Oh, I hate to see you cry

D/G# Bm

There've been times where the truth lied

A G D/G#

Now it's clear as a blue sky

Em D A
Like a bandaid over deeper cuts, we tried

Em D A
We couldn't stop the fate descending on the night

Bm A G
We'll build a fire

D/G# Bm

And torch our old lives

A G D/G# Bm

And hope the spark survives

A G

Use words as kindling

D/G# Bm

Light up the night sky

A G

Let the memories take flight

D/G# Bm A G

And hope the spark survives

D/G# Bm A G D/G#

Yeah, we hope the spark survives

Bm A G
Oh, I wonder, will we pull through?

D/G# Bm

All we ever do is argue

A G D/G# Bm

With not a lot, but we make do

A G

How I wish you wouldn't say that

D/G#
