CAPO 1er TRASTE!!!!!

Intro Bm
```
        Bm
```
I don t know where you ve been
Cracked the code of feeling
```
      Bm
```
We belong two silhouettes
Just touching skin
```
        Bm
```
This is how it begins

```
        Bm          D                    A
```
Keep me awake till darkness turns into day
```
     G                    Bm   D
```
Here, I don t care about time
```
                  A    G
```
Just give me your night
```
              Bm
```
We re making a painting
```
  D                 A
```
A candlestick of two faces
```
G                   Bm  D
```
Put your heart into mine
```
                 A     G
```
Just give me your night

```
        Bm
```
We ll explode in this space

Feel the glow of the flame
```
        Bm
```
Tracing roads straight from your neck down to your waist

Kill control, let it play

```
         Bm          D                    A
```
Keep me awake till darkness turns into day
```
     G                       Bm    D
```

```
Here, I don t care about time
                  A      G
Just give me your night
                 Bm
We re making a painting
   D                     A
A candlestick of two faces
G                    Bm   D
Put your heart into mine
                  A      G
Just give me your night
