Don't think I'ma blow i ll get you therapy now

Chorus:

Em7 **C** **G**
I missed school and I haven t got a job yet

My girls pissed and my daughters on the way

C **G**
I went clubbin till my world was revolving

D
Pretty women and alcohol eh

Em7 **C** **G**
I ride this motherfucking beat like a tractor

G* **Em7**
I ride this motherfucking beat like a train

C **G** **D** **Em7**
Choo choo! go hard, go faster, stack p s everyday

C **G**
I ride this motherfucking beat like a tractor

G* **Em7**
I ride this motherfucking beat like a plane

C
Zoom zoom now their out the room

G **D**
More women more alcohol eh

I m living my life cause that s what I do best
These girls in my bank want to show me interest
Eh look, pounds or pennies I don t scrounge off any
I am fly, I am not an insect
And I m the life of the party
Came with Ken but I left with his Barbie
Baby s with me,
She can ride in the car seat
If she s an angel, I m Charlie, aw please

My lifestyles terribly wild
But you ll never catch me on Jeremy Kyle show
Explosive, terrorist style
Don t think imma blow and get therapy now

[Chorus:]

I miss school and I haven't got a job yet
My girls pissed and my daughters on the way
I went clubbing till my world was revolving

Pretty women and alcohol eh

I ride this motherfucking beat like a train
Choo choo blow horn go faster, stack p s everyday
I ride this motherfucking beat like a tractor
I ride this motherfucking beat like a plane
Zoom zoom now their out the room
More women more alcohol eh

Don't say my name when I'm at the bar,
Cause I'm in the zone
And I'm trying my hardest not to fall,
And I'm so gone
I'm so gone
Just leave me alone, alone.

My lifestyles terribly wild

But you never catch me on the Jeremy Kyle Show
Explosive, terrorist style
Don't think I'ma blow i'll get you therapy now

[Chorus:]

I missed school and I haven't got a job yet
My girls pissed and my daughters on the way
I went clubbin till my world was revolving
Pretty women and alcohol eh
