CAPO 3er TRASTE!!!!

**Em** **C** **G**  
Rain keeps beating on our rooftop, muddying the glass

**C**  
But, God, I love the sound of Heaven

**Em** **C**  
Sat cross legg-ed on the carpet

**G** **C**  
Listening to vinyl, trying to ignore the weather

**Em** **C**  
This week was heavy, I buckled under all the weight

**G** **D**  
What can you do but pray?

**Em** **C**  
And count your blessings it wasn't any other way

**G** **D** **D**  
Don't leave it up to fate

**Em** **G** **D** **D**  
Fighting the tide but the waves, they will part

**Em** **G** **D**  
Light up the night, we were made to be stars

**C** **C** **C** **C**  
But it burns like Hell to be Vega

**Em** **C** **G**  
Clouds keep forming over this house blocking out the sun

**C**  
I'm trying to keep it all together

**Em** **C** **G**  
One door closes then one opens, gotta keep the focus

**C**  
If we'll believe and she'll get better

**Em** **C**  
The days are long but they pass within an instant, babe

**G** **D**  
It is the strangest thing

**Em** **C**  
I'll count my blessings, the day I see you smile again

**G** **D** **D**  
This war we've got to win

Em G D D  
Keep it inside, don't let no one see your heart

Em G D D  
No one can judge, we're the same in the dark

Em G D D  
Fighting the tide, but the waves, they will part

Em G D  
Light up the night, we were made to be stars

C C C C  
But it burns like Hell to be Vega

Am G  
Same problems, different options

Em D  
Pain comes at a cost, but we've got this

Am G  
Need respite, bleed time dry

Em D  
She'll be fine, she'll be fine

Am G  
Same problems, different options

Em D  
Pain comes at a cost, but we've got this

Am G  
Need respite, bleed time dry

Em D D  
She'll be fine, she'll be fine

Em C G  
Rain keeps beating on the rooftop, worrying to death

C  
But, I guess this is human nature

Em C G  
We are made to shine like stars but that don't mean it don't burn

C  
Like Hell to be Vega
