

Wake Me Up  
Ed Sheeran

**G6**  
I should ink my skin  
**C**  
With your name  
**G6**  
And take my passport out again  
**C**  
And just replace it  
  
**G6**  
See I could do without a tan  
**C**  
On my left hand, where my fourth finger meets my knuckle  
**G6**  
And I should run you a hot bath  
**C**  
And fill it up with bubbles  
  
**C**  
Cos maybe you re loveable  
**D**  
And maybe you re my snowflake  
**G6** **C**  
And your eyes turn from green to gray and in the winter i ll  
  
Hold you in a cold place  
**C**  
And you should never cut your hair  
**D** **G6** **C**  
Cos I love the way you flick it off your shoulder mmm  
  
**C** **D** **G6** **C**  
And you will never know just how beautiful you are to me  
**C** **D** **G6** **D D4 G6**  
But maybe im just in love when you wake me up  
  
**G6**  
would you ever feel guilty if you did the same to me.  
**C** **D**  
would you make me a cup of tea, to open my eyes in the right way?  
**G6**  
and I know you love shrek, cause we have watched it 12 times  
**C** **D**  
but, maybe you re hoping for a fairy tale too, but if  
**G6**  
Your dvd breaks today,  
**C** **D**

You should have got a vcr, because I m never on blueray, true say.

**G6**

And I ve always been shit at computer games, and your brother always beats me,

**C**

And if I lost, I d go across, then I d chuck all the

**D**

**G6**

Controllers at the tv, then you d laugh at me and be

Asking me, if I m gonna be home next week,

**C**

And then you d lie with me, until I fall asleep

**D**

And flutter eyelash on my cheek between the sheets

**C**

And you will never know,

**D**

**G6 C**

Just how beautiful you are to me,

**C**

**D**

**G6 D D4 G6**

But maybe I m just in love when you wake me up

**G6**

and I think you hate the smell of smoke,

**C**

You always try get me to stop,

**D**

**G6**

But you drink as much as me, and I get drunk a lot,

**G6**

**C**

So I ll take you to the beach, and walk along the sand,

**D**

**G6**

And I ll make you a heart pendant, with a pebble held in my hand

**C**

And I ll carve it like a necklace, so the heart falls where your chest is

**D**

And now a piece of me, is a piece of the beach, and it falls just where it needs to be,

**G6**

And rests peacefully

**G6**

**C**

**D**

You just need to breathe, to feel my heart against yours now, against yours now.

**C**

**D**

**G6**

**C**

But maybe im just in love when you wake me up. x2

**C**

**D**

**G6**

Maybe I ll fell in love, when you woke me up
