Ed Sheeran

Intro: **E B F#m A** (and then harmonics on the 12th fret)
E B F#m A (just hammer on **A**)

E B F#m
I felt the fall on my breast
A E
At the bottom of my stomach
E B F#m
She put my hand on her chest
A E
While she looked into my eyes
E B
You rescued me
F#m A E B F#m
And called up these words in threes
A F#m
And you know I can't forget it
F#m A F#m
And 10 months on you liberate truth
F#m A F#m
See, I was wrong on how I hate you
F#m A B
And it's the worst thing that I did

(B) C#m
When I read through you
B
You weren't translated
A
So I looked up love in the Yellow Pages
F#m A E
So I'd be free from it

E B F#m A (and then harmonics on the 12th fret)
E B F#m A (just hammer on **A**)

E B
See, all this truth sparks lies in me
F#m A
Just to demonstrate, aggravate sympathy
E B
The key is just to ignore
F#m A F#m
Even if this time has made me unsure
F#m A F#m
And 12 months on I'm back in my mood
F#m A F#m

See, I got drunk and said I loved you

F#m **A** **B**

And it s the worst thing that I did

(**B**) **C#m**

When I read through you

B

You weren?t translated

A

So I looked up love in the Yellow Pages

F#m **A** **E**

So I?d be free from it
