But now I m in town, break it down
Thinking of making a new sound
E
Playing a different show every night
In front of a new crowd
F#

Seems that life is great now
A B
See me lose focus, as I sing to you loud
C#m E
I can t, no, I won t hush

A B
I m gonna sing this now
C#m
See, I m true, my songs are where my heart is

F#
I m not you, now that would be disastrous
A
Let me sing and do my thing
B
And move to greener pastures
C#m
See, I m real, I do it all, it s all me
E
I m not fake, don t ever call me lazy
F#
I won t stay put
Give me the chance to be free
A
Suffolk sadly seems to sort of suffocate me
C#m E
You need me, man, I don t need you
F#

You need me, man, I don t need you

You need me, man, I don t need you, said you need me..
