G **C** **D**
Iâ€™m standing on the corner, listening to the radio

G **C** **D**
Heading nowhere, taking my time real slow

G **C** **D**
Just some time to ease my mind

G **C** **D**
To keep my thoughts from running wild

Something to happen, to make my dreams come true
I was secretly hoping to meet someone like you
That our souls would intertwine
Thereâ€™s no reason to walk the line

Bridge:

Em **Am7**
Who oo, who oo, sunshine here we go
D **Em**
Itâ€™s just you and me against the world, in stereo

Em **Am7**
Oh no, no no, no hiding cause it shows

D
Itâ€™s just you and me against the world

Refrein:

G **C** **D**
Falling deeper and deeper in love

With you (Falling deeper and deeper in love)

You were hiding in the shadows until it felt just right
I always knew that time was on our side
And we saw the train arrive
Changes the course of both our lives

Bridge:

Who oo, who oo, sunshine here we go
Itâ€™s just you and me against the world, in stereo
Oh noo, no no, no hiding cause it shows
Itâ€™s just you and me against the world

Refrein:

Falling deeper and deeper in love
Iâ€™m falling deeper and deeper in love
Iâ€™m falling deeper and deeper in love
With you (Falling deeper and deeper)

Iâ€™m falling deeper and deeper in love (every single day)
