North Point Community Church  
North Point Christmas

INTRO:

Am - G/F - Em " F                      Am - G/F -  
- F

          Am            G/F            Em            F  
On a night like this on a broken road  
          Am            G/F            Em            F  
she is far from sleep, she is far from home  
          Am            G/F            Em            F  
for a baby s cries tear the still of night  
          Dm            Gsus-G  
she wonders why

                          C                      F  
          C            G  
the future was bright and clear; she planned for a wedding day  
                          C                      F  
          G  
her daddy would hold back tears giving her hand away  
                          Em            F            Dm  
now all her hope and fear in a cradle lay  
          F                            G                      Am -  
- Em " F                      Am - G/F - Em - F  
for a baby came and everything changed

          Am            G/F            Em            F  
on a night like this many years ago  
          Am            G/F            Em            F  
as she held him close, she had come to know  
          Am            G/F            Em            F  
that a mother s heart could not let him go  
          Dm                      Gsus-G  
and she now knows why

                          C                      F  
          C            G  
the future was bright and clear with hope and a promise made  
                          C                      F

**G**

the Light of the world was near, choirs of angels sang

heaven s exalted king in a manger lay

- G/F - Em " F Am - G/F - Em - F  
cause a baby came and everything changed

when our dreams grow dim and our hearts grow cold  
build on F  
He is never far from our broken soul

Gloria! our God is with us!

Gloria! He has come to save!

Mercy and love now for every generation  
for the Savior came and everything changed

Gloria! our God is with us!

Gloria! He has come to save!

Mercy and love now for every generation

- Em " F Am - G/F - Em - F  
for the Savior came and everything changed
