  If you re travelling to the north country fair
A4          A              G              D
  Where the winds hit heavy on the borderline
A4          A              G              D
  Remember me to the one who lives there
    A4      A      G              D
  For she once was a true love of mine
```

Please see for me if her hair ain t so long  
And flows in curls down her back and breast  
Please see for me if her hair ain t so long  
For that s the way i remember her best

Oh see for me if her coat s pulled up close  
And her braid frames her sweet pretty face  
Oh see for me if her coat s pulled up close  
For I m exiled in a lonely place

Please see for me if she remembers me at all  
Oh a million times i ve hoped and I ve prayed  
In the darkness of my nights  
In the brightness of my days

So if you re travelling to the north country fair  
Where the winds hit heavy on the borderline  
Remember me to the one who lives there  
For she once was a true love of mine
