Tonight You Belong To Me Eddie Vedder

This is my first tab, so enjoy. I am using a Capo on the 5th fret, and the chords that you see are referring to the chord shapes, rather than the names (since the guitar has a capo on it). There are a couple of nuances done with some of the chords, like the D, the A and the Gm but they are relatively easy to figure out.

```
[Verse 1]
                      D7
I know (I know) you belong
  G
            Gm
To somebody new
    D
But tonight
    Α
You belong to me
[Verse 2]
                            D7
Although (although) we re apart
         G
You re a part of my heart
    D
But tonight
   Α
              D
                    Α
You belong to me
[Bridge]
     Gm
Wait down by the stream
How sweet it will seem
Once more just to dream in
The moonlight
[Verse 3]
```
