D C G
Lift us out of this landslide

Wherever you go

Whenever we part

I ll keep on healing all the scars
Am
That we ve collected from the start
G
I d rather this than live without you

For every wish upon a star
Am
That goes unanswered in the dark
G
There is a dream I ve dreamt about you

G7 G
And from afar I lie awake
G7
Close my eyes to find
Am D7
I wouldn t be the same...

G A
*The end - - - Without you

C G C G
I ll shine when you shine
D C G
Painted pictures on a my mind
C G C G
Sunsets on this ocean
D C G

Never once on my devotion
