**Cadd9:** 032033

**Am:** 002210

**D:** XX0232

NOTES:

-If you don't have a capo, transpose the song from **G** to **B** (I recommend buying one.

It's way easier to play songs with it)

Intro: **G, D, Cadd9**

**G**

Let me start by saying sorry

**D**

I know I don't tell you how I feel

**Cadd9**

It takes enough to say I want you  
but that's not what you need

**G**

I care about you

**D**

but love's a much stronger word

**Cadd9**

and "I like you" really doesn't sum up  
how much you're worth

--PRE CHORUS--

**Am**

**F**

I'm the last straw on the camel's back away

**G D Cadd9**

from saying those three words

--CHORUS---

**G**

**D**

I'm putting a message in this song

**Cadd9**

and I want everyone to sing along

**G**

**D**

Just to let you know how I feel

**Cadd9**

A valentine on mp3

yours forever,

**G**

less than three

**D, Cadd9**

**G**

You know I miss you

**D**

when my connection goes down

**Cadd9**

and I can't see your face to make it seem  
like you came around

**G**

Those nights without you

**D**

I find it harder to sleep

**Cadd9**

Even a half bottle of morgan's  
couldn't make me complete

--PRE-CHORUS--

--CHORUS--

Instrumental bit: Pre-chorus chords twice = **Am, F, G, D, Cadd9, Am, F, C** (put  
your  
pinkie finger on 2nd string, 3rd fret)

**G**

**D**

Take the distance from the depths of the deepest ocean

**Cadd9**

to the surface of pluto **Am**  
and multiply by as far as you can count

**F**

and you'd still be nowhere near  
you'd still have no idea

**C**

**Cadd9**

how much I want to hold you

**G**

**D**

I'm putting a message in this song

**Cadd9**

and I want everyone to sing along

**G**

**D**

**G**

Just to let you know how I feel

how I feel

**G**

**D**

I'm putting a message in this song

**Cadd9**

and I want everyone to sing along

**G**

**D**

Just to let you know how I feel

**Cadd9**

A valentine on mp3

yours forever,
