

The First Star
Eddplant

This is one of my favourite songs by Eddplant. I couldn't find the chords for this song, I thought I'd figure them out by myself. And Cadd9 is optional. It just sounds good, anyway

Capo 4th! If you haven't got a capo, transpose the chords, like this:

G# = Bb

Eb = F

Fm = Gm

C# = Eb

Intro: **G#, Eb, Fm, Eb, C#**

G#

Do you remember

Eb

That cold november night

Fm Eb, C#

I held you close

G#

Evenings in revelry grow old,

Eb

but your words forever soothe me

Fm Eb

Is it you that's making this hard?

C#

I can't imagine moving on

G# Eb

Star light, star bright

Fm Eb

The first star you see tonight

C#

may not be a star

G#

And wishing never gets you that far

Intro Twice

(=**G#, Eb, Fm, Eb, C#, G#, Eb, Fm, Eb, C#**)

G#

It's not a matter of

Eb

who loves who,

I think we're both agreed

Fm **Eb, C#**
that loveâ€™s not on the cards

G#
Weâ€™re talking chemistry

Eb
and open-ended conversations

Fm **Eb**
I never promised myself to you

Fm
But I wish you would

Eb, C#, C#add9, Fm, Eb, C#, C#add9

CHORUS

Instrumental chorus with same chords, Cadd9 in the end
(= **G#, Eb, Fm, Eb, C#, G#, Eb, Fm, Eb, C#, C#add9**)

G# **Eb**
Star light, star bright

Fm **Eb**
The first star you see tonight

C#
may not be a star **G#**
And wishing never gets you that far

Eb **Fm**
But if it could, you know I would

C#
wish for you

Eb **G#**
And wish that youâ€™d wish for me too
