I love your personality

But i don t want our love on show

Sometimes i think it s insanity

Girl the way you go

With all of the guys on the corner

Oh baby, you re the latest trick

Oh, you seem to have their number

Look they re dancing still

For us, so i ll be on my way

Now that the things which moved me

Are standing still

I know it s only superstition

Baby, but i won t look back

Even though i feel your music

Baby that is that
