Cigarette ash like wildfire
Burning holes in the nighttime
Open scars cut like barbed wire
White lies flying high like a ceasefire
Dropping flags on the shoreline
This is as far as I can feel right
Cause what you don't know
Can haunt you

Live like the movies do
I won't mind when it's over
At least I didn't think for a while

[Chorus]

(Play chords as barre chords on the E string)

Cm

So let's run
Make a great escape

Bb

And I'll be waiting outside for the getaway

Ab

It doesn't matter who we are
We'll keep running through the dark

Gm Fm

And all we'll ever need is another day

Ab

We can slow down cause tomorrow is a mile away

Cm

And live like shooting stars

Bb

Cause happy endings hardest to fake

[Verse 2]

Cm

Sunsets on power lines

Ab

Making a break for the otherside
Heading out to where that sunshine

Bb

45 millimeter rolling like we lost time
Polaroids and outcast

Ab

Rather burnout young than grow up fast
And we could be forever futurebound
Cause all I need is time and now

Cm

And I could leave this past behind me

Gm

Ab

And maybe I'll see a way for me to stay

Bb

When there's so much out there

Ab

So I'll live forgetting for the time being

Cm

Bb

And I won't mind when it's over
At least I didn't think for a while

This bridge was built over kerosene

But we can watch it
